- ☐ Prepare for the year ahead by getting the lawnmower serviced, secateurs sharpened and pots cleaned and tidily stacked.
- ☐ Check tree and shrub stakes and make sure that any ties are secure but not causing damage by rubbing.
- ☐ Finish clearing away fallen leaves paying attention to removing any with blackspot from beneath your roses.
- ☐ Check any stored dahlia tubers. Cut away any bits showing rot and plunge shrivelled tubers in a bucket of tepid water overnight then dry thoroughly.
- ☐ Firm in any plants that have been lifted by frost.
- ☐ Keep houseplants warm and free from draughts. Water sparingly.
- ☐ Seed potatoes will start being delivered this month. Visit our blog for advice on getting them started.
- ☐ Keep on top of weeds now and life will be easier come summer.
- ☐ The first spring bulbs will be showing their pretty faces this month. Do you have enough? Are they in the right place? Make notes now so that you can take action later.
- ☐ Take advice from the author and naturalist Hal Borland (see quote above) and settle down with your Suttons seed catalogue. Now is the ideal time to decide what you want to grow and to place your order.
