Height/Spread: H 31-40cm S 51-60cm

Aftercare: Easy and low maintenance

Plant: All year round

Flower: May-October

Awards: Chelsea 2019 shortlisted Plant of the Year

Additional Information:

Description: Ideally suited to pots, or front of border positions, this compact weigela will flower abundantly for many months from late spring to mid-autumn. Shortlisted for the 2019 Plant of the Year at The Chelsea Flower Show, the combination of fine green foliage and pink trumpet-shaped blooms makes it a very striking (and hard-working) addition to the garden. Flowers May-October.

Growing Information

For best show of flowers plant in full sun in well-draining soil. Remove older interior branches from mature bushes in late winter to encourage growth for the following year and a light prune into shape in early spring.
