Additional Information:

Description: Named after the fabled Greek hero Hercules, this plant shows off its strength in both size and durability like its namesake as it will stand the test of all types of conditions and show how it is quite the spectacle in any garden. Bursting with large soft-shaded green blooms, give Hydrangea 'Hercules' its name as they grow up to 40cm each.

Growing Information

For best show of flowers plant in full sun to partial shade in fertile well-draining soil. Deadhead spent blooms and prune in late winter or early spring.
